E&OE

Shading denotes New/Upgraded for 15.4

* Information sourced from Snap-on Europe CTM database. Some information in these sections may be the same to the respective model sold in Australia/New Zealand. Snap-on accepts no liability for any differences that may be experienced during any testing.

** Models not found within the Australian CTM menu may be identified by selecting US Domestic, US Imports or European CTM menus instead. Please note that there may be some differences between Australian and overseas models. Snap-on accepts no liability for any differences that may be experienced during any testing.

15.4 Component Test Coverage: USA & European

USA & European Delivered Vehicles are also covered on this Australian Verus/Verdict/Modis Ultra CTM release under the headings:

US DOMESTIC (USA Market Ford, GM & Chrysler)

US IMPORTS (USA Market Asian & European Vehicles)

EUROPEAN (EURO Market Asian & European Vehicles)

NOTE: Component Test information for vehicles found within these sections may be the same as the respective model sold in Australia and New Zealand. Models and systems that are not able to be identified first within the Australian menu may be identified as the equivalent US or Euro model for CTM and test information. Please note that there may be some differences between models sold in different overseas markets. Snap-on accepts no liability for any differences that may be experienced during any testing.

US DOMESTIC			
CHRYSLER / DODGE / JEEP	1984 - 2014	GM	1981 - 2014
FORD	1981 - 2014
